

### **Changes to the Mortgage Recording Tax Rates Affecting Dutchess County**

In Dutchess County, mortgages are currently subject to the basic, additional, special additional, and county mortgage recording taxes at the combined rate of \$1.30 for each \$100.00 secured by the mortgage. Effective December 1, 2009, Dutchess County will no longer impose the county mortgage recording tax of \$.25 for each \$100.00 secured by the mortgage. Therefore, as of December 1, 2009, the rate of mortgage recording taxes imposed on the recording of mortgages on real property located in **Dutchess County** will be **\$1.05** for each \$100.00 secured by the mortgage.

#### **Mortgages covering properties located in more than one locality**

In certain cases, mortgaged property may be located entirely in New York State but in more than one locality. For example, the mortgaged property may be located in two or more counties. In such cases, the combined rates of tax may vary. In cases where the tax rates vary, a taxpayer may elect to compute and pay the tax as if the property were located entirely in the locality in which the greatest amount of tax is imposed. Alternatively, the taxpayer may file Form MT-15, *Mortgage Recording Tax Return*, and compute the mortgage recording tax at the applicable rate in each locality. To obtain Form MT-15, download a copy from our Web site at [www.nystax.gov](http://www.nystax.gov).
